Opening Dia 5.4"

\*Intended for indoor use only

## DETAILS

**Assembly**

Shipped assembled.

**Fabrication & Material**

One-piece drawn 16 gauge type 304 stainless steel seamless well is welded to 14 gauge stainless flange to ensure tight fit to wall surface. Bead blasted satin finish.

**Installation**

Norix only recommends its products to be attached to solid concrete surfaces. For all other applications consult your professional installer for proper attachment. Installation hardware not supplied by Norix.

**Warranty**

1 year limited replacement warranty

**Maintenance**

When cleaning stainless steel, Norix recommends the use of a cleaner made especially for stainless steel products.
